

## DIRECTIONS TO THE GROUNDS:

By kind permission of Mr. Carl Bouckaert, this trial will be held at Chattahoochee Hills Farm in Fairburn, Georgia, an 8000-acre equestrian eventing center on the banks of the Chattahoochee River, just 15 miles west of the Atlanta airport. The address of the Farm is Brown's Lake Road, Fairburn, Georgia.

Please note that field conditions may require that another field on the Farm be used. Field changes will be announced via internet postings. Please watch for signs indicating a field change.

**Attention drivers of RVs and travel trailers:** The one-lane farm road leading from the entrance to the farm to the field, a distance of 1.7 miles, is gravel surfaced in some areas and dirt in other areas, and may prove problematic for transit by heavy vehicles if there has been recent rain. Please call the Field Trial Chairman 24 hours before the trial for an advisory on RV access.

**From I-85 heading North** (as from the motels in Newnan): Take Exit 61 (Highway 74 / Fairburn); at the end of the ramp, turn left heading North on Highway 74. When the two lane highway turns into a single lane, stay straight (do not continue on Highway 74-go straight) for 3 miles until the road dead ends into Rivertown Road. Turn left on Rivertown Road and go 3.5 miles to South Fulton Parkway. Cross over South Fulton Parkway, staying on Rivertown Road for 2 miles, then turn right at the 4-way stop onto Cochran Mill Road. Go for 3 miles, then turn left at the 4-way stop onto Cedar Grove Road and go 1/10 of a mile to a right turn onto Brown's Lake Road. Go 1.3 mile on Brown's Lake Road to a stop sign. Bear right onto the gravel road, and from here follow field trial signs to the field.

**From I-75 North & South of Atlanta:** Take I-285 West to Exit 62 (Spur 14 / South Fulton Parkway); see below.

**From I-20 East or West:** Take I-285 heading South to Exit 62 (Spur 14 / South Fulton Parkway); see below.

**From I-85 heading South** (as from the Atlanta airport area): Take Exit 69 (Spur 14 / South Fulton Parkway); see below.

**On South Fulton Parkway:** Go 12 miles on South Fulton Parkway, then turn right on Rivertown Road. Go for 2 miles, then turn right at the 4-way stop onto Cochran Mill Road. Go for 3 miles, then turn left at the 4-way stop onto Cedar Grove Road and go 1/10 of a mile to a right turn onto Brown's Lake Road. Go 1.3 mile on Brown's Lake Road to a stop sign. Bear right onto the gravel road, and from here follow field trial signs to the field.

ELIGIBILITY REQUIREMENTS

The following breeds and cross-breeds are eligible: Afghan Hound, Azawakh, Bakhmull, Basenji, Borzoi, Caravan or Karwani Hound, Chart Polski, Chortai or Chortaj, Cirneco dell'Etna, Galgo Español, Greyhound, Ibizan Hound, Irish Wolfhound, Italian Greyhound, Longdog, Lurcher, Magyar Agar, Mudhol or Pashmi Hound, Pharaoh Hound, Rampur Hound, Rhodesian Ridgeback, Russian Steppe Borzoi, Saluki, Scottish Deerhound, Silken Windhound, Sloughi, Taigan, Tazi, and Whippet.

For NLCC lure coursing meetings, a "Lurcher" is defined as the offspring of a sighthound and a sighthound cross or a non-sighthound (usually, but not limited to, a herding dog or a working terrier) bred specifically for hunting or coursing. A "Longdog" is defined as the offspring of two parents of different sighthound breeds, bred specifically for hunting or coursing.

All dogs competing in NLCC-sanctioned lure coursing meetings shall be individually registered with the American Kennel Club, the United Kennel Club, the National Greyhound Association, the National Coursing Club, the Irish Coursing Club, the Federation Cynologique Internationale, the Society for the Perpetuation of the Desert-Bred Saluki, the International Silken Windhound Society, the North American Lurcher & Longdog Association (NALLA), or other NLCC-approved registry. Owners of first time entered Lurchers and Longdogs not previously registered with the NALLA or other approved registry shall pay a nominal fee of \$5 and provide registration information to the host club, which shall forward the fee and information to the NALLA.

All dogs entered in any stake must be one year of age or older on the day of the meeting. All dogs entered in any stake other than Singles must be certified either in the NLCC program or the ASFA program, or be eligible for a waiver by virtue of participation in other sighthound athletic programs.

STAKES OFFERED

**OPEN:** Any eligible dog that has met certification requirements.

**SENIOR:** At the option of the owner, any eligible dog that has met certification requirements and which has attained the age of 6 years or older as of the date of the meeting, except Irish Wolfhounds which have attained the age of 5 years or older, and Whippets and Rhodesian Ridgebacks which have attained the age of 7 years or older. Meetings in which a dog is entered in the Senior stake will not be included in the meetings counted in determining whether the dog earns any title.

**SINGLES:** Any eligible dog, including those disqualified to run in other stakes. Certification is not required for this stake. All Singles will run alone, will be scored pursuant to the category scoring format by the assigned judge, and will receive placements. Meetings in which a dog is entered in the Singles stake will not be included in the meetings counted in determining whether the dog earns any title.

continued

**Note:** Owners of dogs that have not previously run in competition are encouraged to enter their dogs in the Singles stake as a schooling experience.

Best in Field will be offered each day, the winner to be awarded the perpetual Rescue Trophy on Saturday and the Lucy-Foxey Cup perpetual trophy on Sunday. All dogs winning the A Bracket of the Open Stake in each breed each day, and the previous year's winner of each respective trophy, will be eligible to run for that day's trophy. In the event an A Bracket winner is withdrawn from this competition, the runner-up of that A Bracket may elect to run in his place. This competition will be run in the scored braces format using the category scoring system, and runners of similar speeds will be assigned to run together, drawn as randomly as practicable.

### RUNNING AND SCORING FORMATS

All breeds will be run in the brace elimination format, which is a single elimination, double bracket format. All dogs are guaranteed two runs on the day. All courses will be run in braces, or singly as a bye by random draw if there is an odd number of dogs entered in a breed. If more than 8 dogs are entered in a stake, the stake will be divided into divisions, with 4 or more dogs in each division.

Dogs winning their first course will advance in the A Bracket and must continue to win their courses to advance to the finals of that bracket. Dogs losing their first course will then run in the B Bracket and must continue to win their courses to advance to the finals of the B Bracket.

The winner of the A Bracket will receive a 1st placement; the runner-up of the A Bracket will receive a 2nd placement. The winner of the B Bracket will receive a 3rd placement; the runner-up of the B Bracket will receive a 4th placement.

The judge shall declare the winner of each course at the end of the course. For identification on course, all breeds will wear red or white colored cloth collars. Loaner collars will be available from the paddock master. The Committee reserves the right to substitute blankets for collars on any breed during the course of the meeting.

All courses will be decided under the point tally scoring format. Under the point tally scoring format, the Judge shall decide all courses upon one uniform principle that the dog which scores the greater number of points during the continuance of the course is to be declared the winner. The principle is to be carried out by estimating the value of the work done by each dog, as seen by the Judge upon a balance of points according to the following scale:

(a) **THE RUN-UP:** Where in the run-up a clear lead is gained by one of the dogs before the first turn, 2 or 3 points may be awarded to the leading dog, depending on whether the length of the run-up is more or less than 100 yards.

(b) **THE TURNS:** The dog which is first to and closest in honest pursuit to each successive turn shall be awarded 1 point for that turn.

(c) **THE GO-BY:** Where a dog is a clear length behind his opponent and yet passes him in a straight run, then gets a clear length ahead of him before the next turn, he shall be awarded 2 points.

(d) **THE FINISH:** The dog which gets honestly from the final turn to the stopped lures first shall be awarded 1 or 2 points, depending on whether the length of the finish leg is more or less than 100 yards.

### ADDITIONAL INFORMATION

Inspection will be for lameness and bitches in season only. Bitches in season and lame dogs will be excused. Spayed, neutered, monorchid or cryptorchid dogs may be entered.

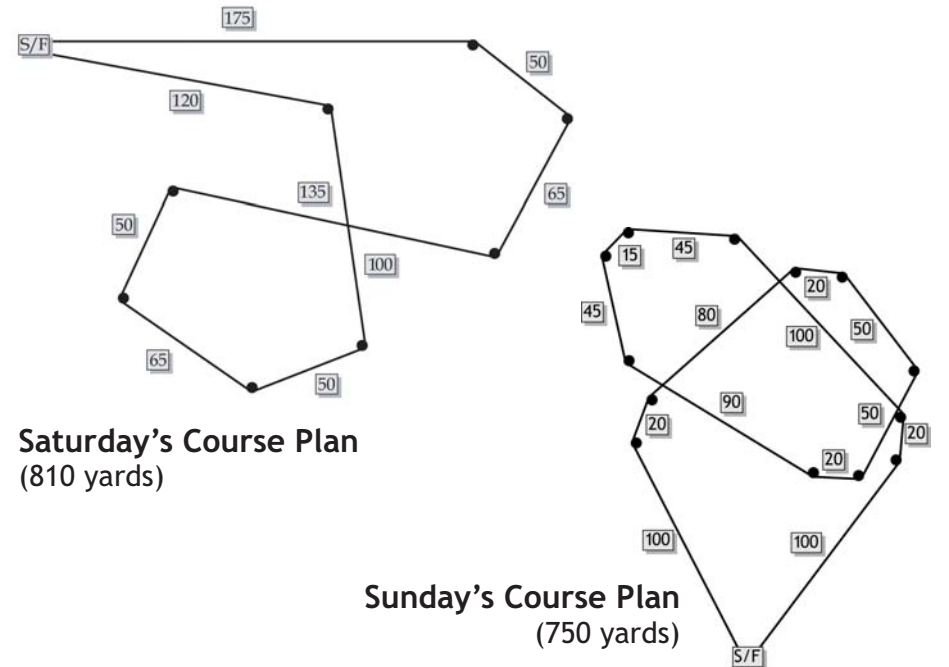

Dogs not present at the time of inspection will be scratched.

Battery-powered DRAG lure machines with back-up equipment will be used. However, if field conditions and available equipment require it, the Committee reserves the right to change to a continuous loop configuration. The lure will consist of white plastic bags.

The course will be reversed as each bracket advances.

The Club reserves the right to alter the course as required by weather and/or field conditions on the day of the meeting.

All owners must keep their dogs under control at all times, and must clean up after them. There will be a \$5 fine assessed against the owner of any loose dog on the field not taking part in a course in progress. There will be a \$15 fine assessed against owner who does not clean up after his dog.

## Accommodations

The following motels accept pets on varying terms, so it is recommended that you check with the motel at which you are making a reservation about its individual policy.

### Exit 47 Motels

Douglasville, GA 30134  
770-949-1499  
(Web site lists a pet fee of \$20 per day for pets under 25 lbs)

The Southeastern Greyhound Club continues its tradition of big field lure coursing at our newest venue in the countryside, beautiful Chattahoochee Hills Farm near Fairburn, Georgia. An 8000-acre equine eventing facility on the banks of the Chattahoochee River, the Farm offers a variety of big, wide open fields for the finest in lure coursing sport. Our thanks to the Farm's owner, Carl Bouckaert, events manager Richard Temple and farm manager Frank Cook for the hospitality they have afforded us.

The weekend combines two of SEGC's traditional lure coursing meetings: the 14th annual Run For Rescue fundraiser for Greyhound adoption on Saturday, and the 13th running of the Southern Turf Classic on Sunday. This year we are offering two days of brace elimination lure coursing sanctioned by the National Lure Coursing Club, with exciting head-to-head competition and the greater objectivity of the point tally scoring format.

### The Rescue Trophy

SEGC's first perpetual trophy, a beautiful statue depicting a Greyhound at rest, will be awarded to the winner of Best in Field on Saturday.

### The Lucy-Foxey Trophy

This classic perpetual trophy, donated by Lee and Kathi Edwards and David and Beth Alley in memory of their Greyhounds-Nanjo's Lucy, LCM3, and Task Gallant Fox, LCM-will be awarded to the winner of Best in Field on Sunday.

## **Blessing of the Hounds**

In keeping with the spirit of The Run For Rescue, there will be a short Blessing of the Hounds immediately before roll call and inspection on Saturday. If you would like to participate, please bring your hounds to the inspection area just before 9:30 a.m.

## **Amenities**

The field is a large, mowed hayfield of bermuda turf with some terrain. It is not fenced, but is bounded by the Chattahoochee River on one side and forest on the other side and is 1.7 miles in the interior of the farm. There is no water or power on the field, but cool-down water in a power spray tank will be provided if weather conditions make it advisable. There is no shade on the field, so bring a canopy if sunny weather is predicted. Overnight RV and trailer parking on the field is allowed, but must be self-contained. Attention RV and travel trailer drivers: Please call the Field Trial Chairman (cell phone 404-317-7989) 24 hours before the trial for an advisory on RV access.

## **Care of the Grounds**

Once on the farm premises, kindly follow the signs on the farm road to the field and park only in designated areas. Please place trash in trash bags provided, but take as much as possible of what you bring to the field with you when you leave. Smokers, please do not leave cigarette butts on the ground.

Please help us to be good stewards of this pristine property and reciprocate our hosts' generosity by leaving only our footprints and great sporting memories.

## **Lunch**

Lunch will be provided each day by the volunteers of our adoption program, Southeastern Greyhound Adoption, as a fundraiser for our adoption program. Please help the Greyhounds by enjoying a delicious lunch!

## **Certifications and Practice**

No certifications will be offered either morning. Practice and certifications will be offered after the trial on Saturday and at the lunch break on Sunday, weather, personnel, daylight and equipment permitting. Practice will not be held after the trial on Sunday. A hound that has not been certified can be entered in the trial, in the Singles stake. The hound will run alone (twice) in this stake, but will be scored by the judges and will be eligible for placements and ribbons in the stake. If you want to be assured of an opportunity to run your hound, we strongly urge you to enter the hound in the Singles stake.

## **Veterinary Care**

On-call veterinary care will be available from Dogwood Veterinary Hospital in Newnan at 24 Hospital Road, 770-253-3416. Printed directions to the clinic will be available from the Field Committee.

## **Vendors**

Vendors are welcome, but must have authorization from the Field Trial Chairman (John Parker, 770-502-1272) to sell items on the trial grounds.

## **Greyhound Adoption**

Do you have a friend who is interested in adopting a Greyhound? Have you been considering adding a Greyhound to your lure coursing team? Southeastern Greyhound Adoption has a wide variety of former racing Greyhounds available for adoption. They can be seen at our Web site, [www.greyhoundadoption.org](http://www.greyhoundadoption.org).
